Pride

Everywhere

BILBAO BIZKAIA

open to people, open to the world

**B**ilbao Bizkaia is proud and want to share that pride with you. Culture, nature, cuisine, experiences, identity and modernity await. The home of the Guggenheim Museum is also the go-to LGBTI+ friendly destination in the Atlantic Arc thanks to its wide variety of offerings in a diverse, respectful environment like none other. Inviting, open and keen to show the best they have to offer: that's Bilbao Bizkaia, the gateway destination and point of entry to the Basque cultural universe.

This is also a "safe" destination – in Bilbao Bizkaia the law stands firmly behind LGBTI+ rights.

Sharonne (winner of *Drag Race Spain* 2022) and Bilonda participated in PRIDE 2021

# PRIDE

gaining values, gaining visibility

In spite of the times in which we live, Bilbao Bizkaia hasn't lost its drive as one of the best places for absolutely everyone to come together. It's ready to show off its open charm, its fight for equality and its ability to celebrate anyone proud to be who they are.

Every year, a large number of hugely successful activities are planned with room for all LGBTI+ groups and anyone else looking to join in the fun.

As every year, in mid-June, we will be celebrating BILBAO PRIDE, extending it at the end of June to Mundaka, Santurtzi and Plentzia.

# Bilbao

## A city with PRIDE

### Inclusive and authentic

We've enjoyed so many great activities and shows at PRIDE over the last few years, from activities for kids, to music, performances, protests and marches, and parties. What we've certainly never lacked was a desire to host a fully authentic, inclusive celebration.

### Guided tours

Guided tours have also been added to the programme, with visits to the places that have formed a part of the history of the struggle for LGBTI+ rights and which today are more important than ever for the movement. This is a new, interesting way to get to know Bilbao, the epicentre of the LGBTI+ movement.

In Bilbao Bizkaia, pride is all around. Thanks to that, it's already considered one of the top LGBTI+ friendly destinations in Atlantic Europe, and is one of the destinations with the most growth year after year. With its wide variety of activities and events held in the month of June, Bilbao Bizkaia PRIDE, member of EPOA (European Pride Organisers Association), has become an essential rendezvous on the European circuit.

The extensive four-day programme also includes outdoor shows with the best international and local talent, cultural functions, a culinary trail, street performances and a full Off Pride agenda with spots around town. Save the date and come to Bilbao to celebrate the pride of being and loving as you are.

# GUIDED TOURS

## Past and present

## TOUR 1

### Travel through the LGBTI+ history of Bilbao and Bizkaia

Starting at the **Albia Gardens**, next to the Bilbao courthouse, this tour will help you discover the history of the local LGBTI+ community with **unpublished documents and direct testimonials** from people who lived or participated in the LGBTI+ movement.

The different chronological stops show **LGBTI+ history** and allow you to connect directly with historical events and specific spaces highlighting the realities of lesbians, transgender people, and intersex people.

The tour will also help you discover **different corners of town full of history and heritage**.

# TOUR 2

## Culture, Leisure and Atmosphere

The Franco regime, which ruled Spain for 40 years, harshly persecuted homosexuality and prohibited all displays of affection between same-sex partners, especially in public spaces.

It forced the community to create its **own language** to be able to recognise one another within society, and that is what we'd like to show on this tour.

Starting at the tourism office in **Plaza Circular**, this guided tour uses **unpublished documents and recorded testimonials** to show how spaces were established to pick people up and how social relationships were forged between LGBTI+ people. **Leisure and culture** are key elements of these relationships.

### Get caught up

In addition to teaching you history, the guided tours will show you places that continue to be frequented by the community. You'll also see the city through a different, well-researched, enlightened lens. Afterwards, you decide where to next!

# ASTE NAGUSIA!

On the second half of August, we will be celebrating Aste Nagusia – Bilbao's great week of festivities. Nine days of uninterrupted fiestas with a wide range of LGBTI+ focused activities at numerous txosnas – the pop-up bars that spring up throughout the city, such as Pinpilinpauxa (with live performances by Las Fellini), Mamiki, Gogorregi (with Asier Bilbao) and Federiko Ezkerra (with La Otxoa).

As the Aste Nagusia anthem, which you will hear and dance to more than once, has it, "there's only one week like this in the world".

Whether it's the city's open, pluralistic nature, the events throughout the day, evening and late into the night, or Marijaia, the huge, exuberant effigy of a woman with her arms aloft in celebration who is the symbol of the festivities, witnessing Bilbao's biggest fiesta first-hand is a unique, essential experience. As the spokesperson for Naizen (the Association of the Families of Trans Minors) said, "We don't know what's under Marijaia's skirt, and we don't care" – it's simply another demonstration of the diversity of Basque society and the city of Bilbao, the capital of Bizkaia.

Marijaia

A  
GOOD  
IDEA!

## SO MUCH TO CHOOSE FROM It will suit your taste

Parades, free concerts, culinary competitions, activities for all kinds of families, fun, music, sports, exhibits... There are as many Aste Nagusia experiences as there are people at the festival.

This is a truly fascinating week in which to visit Bilbao as there is an incredible atmosphere in the city, with the streets full of locals, from other towns in Bizkaia and neighbouring provinces and from further afield.

In addition, the "comparsas" Pinpilinpauxa, Mamiki, Federiko Ezkerra and Gogorregi offer special programming for LGBTI audiences.

Take the plunge and take part in the fun! As La Otxoa (one of our best known activists in the struggle for emotional freedom) sings, LIBÉRATE! (FREE YOURSELF!).

# For general AUDIENCES

In late February and early March, **Zinegoak** international LGBTI+ film and performing arts festival takes place. This prestigious two-week festival shows films and plays crafted by international artists. At Zinegoak, the audience is part of the festival. Your vote determines the award for best short of those shown before each film.

## Beyond cinema

In addition to films, talks and meetings, you'll be able to enjoy a number of events during the festival. Different places in the city are responsible for hosting parties, karaoke and performances, the perfect post-film plan.

## BBK LIVE Second week of July A festival with LGBTI+ presence

Pop and rock share the stage at this famous festival, one of the most important in Spain, which attracts thousands of people who are eager to see and listen to some of the best groups on the international music scene.

There are also two distinct spaces: BASOA, an enchanted forest in which you can listen to the very best of the latest electronic music, and LASAI (which means "calm" in Basque), a chill-out space in which you can relax and rest for a while before returning to the action.

The programme includes a special LGBTI+ night.

As a further attraction, don't miss **BIME LIVE**, at the end of October.

# People, Society and Companies SHARED COMMITMENT

We all have a part to play in ensuring a more level playing field – individuals, institutions, social partners and companies alike all need to be committed to LGBTBI+ rights.

For this reason, Bilbao Bizkaia is working on equality plans, taking part on social media and in internal diversity committees, creating products, activities and protocols and, above all, working in the areas of education and training. We are selecting and working with companies whose values include those of non-discrimination and who in some way or other have diversity running through their DNA.

A  
GOOD  
IDEA!

As part of this process of modernising our society and companies, the opening of new bars and restaurants deserves special mention.

Businesses and organisations in other sectors are also joining this initiative which is led and coordinated by the local LGBTQI+ association, Ortzadar under the name *Bilbao Bizkaia LGBTI Travel Allies*.

Those wishing to take part in this network should have commitments in areas such as communications, strategy, etc. with a social undertaking to protect LGBTI+ rights, the development of products and staff training.

In the accompanying leaflet you will find the tourism companies that have already signed up to the *Bilbao Bizkaia LGBTI+ Travel Allies* programme.

# Connected to **THE WORLD**

20

**B**ilbao Bizkaia's great international connections make it the perfect choice as a holiday destination, with its respectful, inclusive environment that is open to everyone regardless of their background, gender identity or sexual orientation.

We have an international airport just 15 minutes from Bilbao with numerous connections to Europe's most important cities. There are excellent train and coach connections to the whole of the Iberian Peninsula as well as being an LGBTI+ cruise port.

**PROUD**  
EXPERIENCES

## Bilbao Bizkaia

Make the most of the nature around you and walk, take public transport, or drive to discover the magical settings that inspired films and series like Game of Thrones.

GAME OF THRONES

## Kick back or get active, you're in the right place

Head to the coast and don't miss the scent of the salt air in fishing towns like **Lekeitio** and **Bermeo**. If you've got to be on the move, water sports are a great option. The left-breaking wave of **Mundaka** is renowned by surfers around the world, as are the beaches of **Sopela** and **Bakio**. An equally appealing option is kayaking the Bilbao **Estuary**.

Lekeitio

If the beach is your thing, you've got many beautiful beaches to choose from including **Laida**, **Laga**, and **Gorliz** as well as nude beaches frequented by a mostly LGBTI audience like **Meñakoz**, **Barinatxe**, **Azkorri** and **Barrika**.

# Enjoy the night

The night is upon us and it's time to go out with friends or meet new people.

You're in the perfect place! Bilbao and the surrounding area offer numerous possibilities. Chill-out bars, night clubs, live music bars... All are part of the impressive ensemble of artists that you'll find at the city's various venues.

The hardest thing will be to choose before you let the night surprise you.
